

OC-M-73-418

20 JUL 1973

MEMORANDUM FOR: Deputy Director for Management and Services
SUBJECT : Weekly Report

25X1A 1. [] has withdrawn his recommendation for reduction in the communications staffing complement.

25X1A 2. []: The recent coup was taken in stride. There were no communications problems.

3. Africa: We are pricing out a 10 circuit base station capability to serve the [] TTY network.

4. CAPT: The Computer Assisted Field Terminal (CAPT) remains active in the [] comprehensive exercise. We have had a normal amount of circuit and cryptographic hardware troubles, but the system has performed as expected. Approximately 500 messages have transited the terminal to date, and valuable operational information was gained.

25X1A 5. [] reported extensive damage to the SC-1 terminal as a result of a severe electrical storm accompanied by power fluctuations. We are investigating the cause and how to prevent a recurrence.

6. OC Technical Training: On 12 July OC-Career Management Division made a presentation to representatives from DD/O-[] and OC-Operations, Engineering, and Programs & Budget Staffs concerning the serious technical training problem that faces us in FY-74. As a result of this meeting [] which is responsible for almost 50% of the additional training workload, will review their training requirements for the purpose of revising them downwards. Also, CMS will investigate the increased use of contractor provided training packages at the time new equipment is delivered.

~~SECRET~~Planned Activities

1. [] receiver site is scheduled for a complete outage beginning at 1601Z 21 July and continuing for approximately 24 hours. The shutdown is to accomplish work required for upgrading the air-conditioning and power distribution systems. All stations affected by this outage have been advised and alternate arrangements for handling of precedence traffic during this period have been established. Clandestine activity [] is at a minimum during this period and arrangements have been completed to allow airing of broadcasts from the transmitter site if the outage is prolonged.

2. The following training courses and seminars are scheduled to be held at [] during the week of 23 - 27 July 1973:

Date	Course	Attending	Location
23 - 27 July	OC Writing Course	8	[]
23 - 27 July	OL Career Board Panel	6	
23 - 26 July	ODE Seminar	21	
25 - 26 July	OSR Seminar	12	

[]
Director of Communications
